TERMS & CONDITIONS

REBATE OFFER is for new equipment installed in 2012 by customers of Vermont electric utilities. It is subject to change without notice and may not be combined with any other offer. **PRE-APPROVAL** is required prior to purchase for rebate forms including greater than 100 items, \$5,000 rebate payment, or for new construction projects 10,000 sq. ft. or larger. **PROOF OF PURCHASE** includes invoice(s) indicating the size, type, manufacturer, model or part number, purchase date, and vendor of the efficient equipment. The right to verify sales transactions and to inspect all installations is reserved. **LIMITATION OF LIABILITY:** Performance of installed equipment is not guaranteed expressly or implicitly. **ENDORSEMENT:** No particular manufacturers, products, or system designs are endorsed through this program. **PAYMENT:** Allow 60 days for delivery of payment. Submitting a rebate form with incomplete or missing information will delay processing of payment. **MAXIMUM PAYMENT** will not exceed 100% of the equipment purchase price. Customer/contractor is responsible for all costs associated with sales tax, installation, and disposal/recycling. Customer is responsible for any tax liability of rebate payment. **CAPACITY CREDITS/ENVIRONMENTAL CREDITS:** In accepting these financial incentives, the customer agrees that Efficiency Vermont or Burlington Electric Department holds the sole rights to any electric system capacity credits and/or environmental credits associated with the energy efficiency measures for which incentives have been received. These credits will be used for the benefit of Vermont ratepayers.
